HOW TO ORDER FROM THIS QUOTATION

1. Sign in at o-plates.com and open the configurator.
2. Enter each line exactly as specified on this quotation and add it to your cart.
3. Review the current price and lead time. The checkout amount governs.
4. Select shipping and pay through secure Stripe checkout.
5. Review and approve the confirmation drawing sent with your order. Manufacture follows approval.

QUOTATION TERMS

- This quotation may be referenced through Nov 21, 2026 (30 days).
- Prices and available lead times are revalidated at checkout and may change.
- Lead time is an estimated ship time, not a guaranteed delivery date. Drawing review and changes can affect timing.
- Plates are made to order to the specifications listed. Any change creates a new quote revision with its own number.
- This is a quotation only. It is not an order, an invoice or an approved manufacturing drawing.
